

SGIS SENIOR SKIING CHAMPIONSHIPS 2012

Aiglon College

Villars

Aiglon College has pleasure in inviting your school to the SGIS Senior Skiing Championships which will be held on Sunday 5th February 2012. The race is open to all schoolchildren with 4 categories being identified for both boys and girls (separately):

Category	Dates
A	1.9.92 – 31.8.95
B	1.9.95 – 31.8.97
C	1.9.97 – 31.8.99
D	1.9.99 – 31.8.00

Category A and B is the official SGIS ski race with category C and D being invitational. All categories will be operated with the same rules and procedures.

The race will be held on a piste close to the central point of the ski area, Bretaye, which is accessible via the Roc d'Orsay telecabine in Villars. The course will be set by experienced children's racing instructors. Each competitor will have 2 runs of a Giant Slalom course.

Awards will be made to the first three finishers in each category, with a trophy going to the individual winning each category. Medals will be presented to the four racers who comprise the winning teams in each category - a team score will result from the three fastest times in which four racers from the same school complete both courses

The cost of the race will be around 40 CHF per competitor (subject to number of entries) and will be billed after the event. Lift passes are the schools' own responsibility and must be paid for when purchased – the cost of a day ticket for competitors and trainers on race day is a reduced rate of around CHF 40.00. Please note that each racer should hold a valid accident insurance.

Competitors will need to arrive at the bottom of the telecabine at 08.15 and they should be ready to leave the same point at about 16.00. Schedules will be sent to all schools once **declarations of intention** are received. Please return these by **17.00 on Friday 20th January by email or fax.**

Please return your race entries to the Aiglon College P.E and Sports department, stating names of racers, their sex and category **in seed order** (your strongest racer in each category should be noted first) by **17.00 on Thursday 2nd February**. After this date, no changes may be made - only withdrawals will be possible. An entry form is enclosed with these race details. Each school may enter a **maximum of 6 boys and 6 girls in each age category**. Could I also ask that each school provides a responsible adult to act as a gatekeeper.

Please also find information regarding overnight accommodation in the area.

We look forward to welcoming you on Sunday 5th February.

Michael Thompson (Race Co-ordinator)

Declaration of Intention

Our School (name)

.....
intends to take part in the SGIS Skiing Championships to be held in
Villars on Sunday 5th February 2012.
